DAVIT FOR REINSTATEMENT

PURSUANT TO RCW 24.03.303 NISQUALLY ESTATES HOMEOWNER'S ASSOCIATIONSECRET JURI #601916032)

STATE OF WASHINGTON) COUNTY OF THURSTON

The undersigned, being first duly sworn, deposes and says:

I am a member of the Board of Directors and the current Vice President of Nisqually Estates Homeowner's Association, a Washington nonprofit corporation, ("Association") under UBI #601916032, and am authorized to make this Affidavit on behalf of the Association.

The Association is managed by a Board of Directors whose members are typically not sophisticated in matters of corporate governance or management. They volunteer for the good of the community and for the benefit of the Association's approximately 120 properties.

On July 11, 2011, soon after the election of new board members, the current Board of Directors of the Association discovered that the status of the Association had become "inactive" as of March 3, 2008, in the Washington Secretary of State's records. Upon further investigation, the Board discovered that the Association's annual report was not filed by November 30, 2007, apparently due to an omission by the Association's Registered Agent, one of the volunteer board members, which resulted in the Association being administratively dissolved as of March 3, 2008. The Board of Directors has been unable to determine whether the Registered Agent ever had actual knowledge of the need to file the annual report.

The Association hereby requests, pursuant to RCW 24.03.303, that the Washington State Secretary of State's Office reinstate the Association as an active nonprofit corporation back to the date of lapse conditioned upon the payment by the Association of all required licensing fees and penalties for the reinstatement process. At all times since the administrative dissolution, the Association has continued to operate as an Association. Reinstatement of the Association is expected to avoid any risk of harm to the members and is not anticipated to result in any detriment to creditors, the public or other third parties.
